Dear Mr. Scott Rosmarin,

With the Deliverables you have submitted, EPA will agree to a 45-day extension of time for Camp Rosmarin to file an Answer. The extension will allow the parties time for EPA to review and analyze Camp Rosmarin's tax returns and other documentation submitted to EPA today, and time for the parties to continue to hold settlement discussions.

Mr. Rosmarin, please be advised going forward it is critical that you meet deliverable deadlines in a timely fashion. You must send a written request to Ms. Helen Ferrara, the Regional Judicial Officer, before the current extension expires on Oct. 8 2017. to request the additional 45-day extension and include the justification for your request. You may copy what I have indicated above.

Thank you for your continued cooperation in this matter.

Sincerely,

Melva J. Hayden
